

Bad Girls

Policies and Procedures

Statement of Purpose

Bad Girls of Portland, Oregon, is a social and educational group for women interested in BDSM with other women. We welcome self-identified women 18 and over of all sexual orientations as club members. BDSM includes, but is not limited to, the practices of bondage, discipline, sadomasochism, dominance and submission, role-play, and fetishism.

Bad Girls is not a political organization, although it may support organizations that work for causes such as the defense of sexual freedom and the empowerment of women and sexual minorities.

Principles

Bad Girls' principles as a club are RESPECT, INTEGRITY, SAFETY, COMMUNITY, EDUCATION, EMPOWERMENT and HONOR.

Respect: We honor each person's unique experience and perspective and treat others with respect, even when we differ or disagree. We value the participation and experience of novices as much as that of more seasoned players.

Integrity: We practice honesty and accountability in our dealings with each other. We take full responsibility for our own feelings, needs, and choices. When we make a mistake, we admit it, learn from it, and make amends as needed.

Safety: While acknowledging that BDSM, like life, is inherently risky, we practice a high standard of care for our own and our partners' physical and emotional safety. This includes educating ourselves about safer BDSM practices and techniques, taking precautions against the spread of disease, respecting others' boundaries, and being honest about our own limitations.

Community: We seek to form a welcoming and cohesive community that engages with and gives back to the larger community around us. We cooperate and build bridges with other SM-related, women's, and sexual minority organizations. Placing fairness and community welfare before interpersonal conflicts, we avoid malicious gossip, scapegoating, and factionalism.

Education: We are committed to continually improving our skills, understanding, and self-knowledge around BDSM. We acknowledge that everyone, no matter what their level of experience, has things to teach and learn. Through our workshops and discussion groups, we create opportunities for experiential learning that go beyond technique to touch on the spirit of what we do.

Empowerment: We affirm the validity of BDSM as a path to self-discovery, pleasure, intimacy, healing, and spiritual awakening. We support each woman's right to explore and express her unique sexuality in any way that is consensual and causes no harm to others.

Honor: We endeavor to fulfill and stay true to the history, traditions and tenets of Bad Girls while we forge new ways to innovate, grow and maintain a vibrant club for all members.

Membership

Membership in Bad Girls is open to self-identified women, 18 or over, with a positive personal interest in woman-to-woman BDSM. Women of all sexual orientations, levels of experience, and BDSM-related interests are eligible for membership. Individuals seeking to join solely for the purpose of research, journalism, fiction writing, law enforcement, or similar purposes are not eligible.

To become a member, applicants must attend a mandatory Safety & Etiquette Workshop and a New Member Orientation, both of which are free of charge and held together quarterly.

Safety & Etiquette: These workshops are offered to educate about the basics of safe and courteous BDSM.

New Member Orientation: Club orientation is vital to the understanding each woman has for the expectations of, duties to, and benefits from the club. At the orientation meeting, applicants must do the following things:

- Complete an application form
- Provide their legal name and verification of age
- Review a copy of this Policies and Procedures document and sign a waiver of liability
- Pay dues or make payment arrangements

The Board reserves the right to reject an application in the best interest of the club.

Pledge and Probationary Periods: Upon paying dues and joining Bad Girls, members are considered “pledges” for a period of three months. During this three-month period, a pledge’s membership may be revoked (with a 75% refund of paid dues) or a pledge may withdraw their membership without explanation.

After the completion of the pledge period, a pledge enters the six-month probationary period, during which she is not eligible to vote, earn colors, or run for Board office. At the end of the pledge and probation periods together (nine months total), a woman becomes a full member of Bad Girls.

If a member has a lapse in membership of one year or more, she will re-enter the club at probationary status and must re-attend the Safety & Etiquette and New Member Orientation.

Categories of Membership:

Premium Members: Premium members are eligible to vote in Board elections, can hold Board office, and may become eligible to earn colors. Premium membership allows free entry to workshops and greater discounts to larger events.

Basic Members: Basic members are eligible to vote in Board elections, can hold Board office, and may become eligible to earn colors. Basic membership allows discounted entry to workshops and discounts to larger events.

Associate Members: Associate members are those who live more than 50 miles outside Portland city limits. Associate members are eligible to vote and earn colors but cannot hold office.

Patrons: Patrons are those who wish to show their support for the club. Patrons are not eligible to vote, hold office, or wear colors. Patrons need not be self-identified women.

There is no limit on the number of members in the club.

All members who have successfully completed their probationary period are eligible to purchase and wear a shoulder patch and are also eligible to purchase official Bad Girls T-shirts. Official Bad Girls T-shirts are only to be worn by club members. Non-members may purchase Bad Girls pins, or specialty event T-shirts when available, to show support of the club.

Dues: Dues are set and adjusted, as needed, by the Board. Members joining during the orientations in March and June will pay full membership fees. Members joining during the orientations in September and December will pay 50% of the full membership fees. The membership year is from March 1 through the last day of February.

Members may prepay for future years at the dues rate in effect at the time of prepayment.

Scholarships:

Bad Girls offers need-based payment arrangements of dues as well as scholarships at the Basic Member rate. Payment arrangements and scholarships are administered at the discretion of the Treasurer, who is accountable to the Board for staying within the scholarship budget.

A member may not receive more than two consecutive annual scholarships.

Tommie Spilmon Memorial Scholarship: Each year, one full member who petitions for scholarship will be chosen by the Board to receive the Tommie Spilmon Memorial Scholarship at the Premium Member rate. The scholarship was created in 2012 to honor the passing of Tommie, a pivotal member of Bad Girls.

Honoring Allies of the Club: When a member of the community, who is not a member of the club, has performed a significant service for the club, such as hosting an event or presenting a workshop, the Board may decide to honor that person with a club pin. Where possible, the pin is presented publicly at a club event in the traditional manner (i.e. pinned to the fly of the recipient's jeans or attire by a kneeling Board member).

Confidentiality: All membership information is completely confidential. Membership information is used for organizational purposes only and will not be sold, traded, or given to anyone outside of the club.

Members retain the right to be as anonymous or as public as they like, both within and outside of the club. Members choosing to be known only by a first name or assumed name are responsible for not disclosing their complete identity to other members. Discreet language, as practiced by all Bad Girls members, is using titles, roles played, and/or chosen labels instead of the proper names of any person not present.

Reciprocity: Women who belong to other women's BDSM organizations that are located at least 50 miles outside of Portland and with whom we have established reciprocity are welcome to attend Bad Girls functions at Basic Member rates. Proof of membership must be provided.

Disciplinary Process: Members who repeatedly disregard club principles or who are disruptive, threatening, violent, or obviously impaired by alcohol or drugs will be removed from meetings and events, as will those who refuse to comply with event rules. Members whose behavior is causing problems for the club may be reprimanded by a decision of the Board.

A member can be expelled by the Board in the best interest of the club. A member being considered for expulsion must be notified of a closed meeting where that decision will be made and has the right to defend herself. Members who are expelled must give up their colors, if applicable.

Club Colors

Colors are awarded to members who actively participate and continuously contribute to both the club and the community at large. Potential colors holders demonstrate that they understand and represent the club's principles and leather-based traditions. Colors holders must maintain active membership and are expected to honor a commitment that should be thought of as permanent.

Colors Committee: Members who have earned club colors comprise the Colors Committee. The Colors Committee is responsible for determining the earning and granting of colors and the maintenance of said Committee. The Committee has a liaison to the Board to attend Board meetings, as needed. The Colors Committee also has an annual rotation of two members who organize the meetings, requirements and details of the Committee. Colors are awarded annually and presented by the Colors Committee at the General Membership Meeting. Those who have earned their colors during that year shall receive an announcement thirty days prior to the General Meeting. This allows them time to pay the colors rental fee in order to have the colors formally presented to them.

Colors are the property of the club. They are rented, not purchased. If for any reason a member does not keep her club membership current, she is expected to return the colors or petition for Honorary Member status and the right to continue to wear Bad Girls colors.

Colors holders show respect for their colors and do not abuse them by sitting on them, placing them on the ground, lending them to others, or behaving in such a way as to dishonor the club. Those members abusing the honor of colors will be stripped of them by a vote of the Colors Committee.

Honorary Bad Girls: Honorary Bad Girl status must be sought by a petition to the Board while a full member in good standing. Honorary Bad Girl status includes the right to wear previously earned colors and to receive admission to events at the Basic

rate. Honorary Bad Girls are held to the same standard as Bad Girls members, and as such are subject to the same disciplinary procedures.

Activities and Programs

Bad Girls offers workshops, discussions, and social events that provide safe space for women to explore the BDSM lifestyle. Members must present their membership card to receive member rates for events.

Activities and programs include but are not limited to the following:

Education:

Bad Girls offers a two-pronged approach to education that promotes active learning through both hands-on, experiential workshops and thought-provoking discussions.

Workshops: Bad Girls offers at least six educational workshops per year that are interactive and experiential, with the emphasis on doing rather than just listening. Workshop topics address a range of interests and levels of experience.

Presenters are selected at the Workshop Coordinator's discretion, and with Board approval, from the membership and community. Men with knowledge and skills that are of benefit to the club may be invited to present.

Workshops are open to all self-identified women over 18. Materials required for the workshop are included in the fee.

Full Moon Friday Discussion Groups: Bad Girls hosts at least nine opportunities per year for women to discuss issues related to BDSM. These events are facilitated by a Bad Girl member in coordination with the Workshop Coordinator to ensure that the discussion is kept on-topic, respectful, and inclusive of all participants.

Discussion groups are open to all self-identified women over 18 (or over 21 if required by the venue). A hat is passed for a voluntary donation. Afterwards, attendees are invited to join the group for social time where all are welcome (not just self-identified women).

Bad Girls Munch: On the second Tuesday of each month, Bad Girls hosts a Women's Munch. The intention of this event is to provide community, resources, and an opportunity for socializing. This event is open to all self-identified women 18 or over (or 21 and over when designated by the venue). There is no charge for the Bad Girls Munch.

Charity Night: Bad Girls sponsors two annual Charity Nights, currently in Spring and Fall of each year, where club members, supporters, and other members of the community gather to socialize. All proceeds from Charity Nights go towards the club's annual, membership-chosen charity. Everyone is welcome at Charity Night. Entrance fees may be assessed by the particular venue.

Play Parties: Bad Girls will sponsor a minimum of two play parties annually. Participants must be 18 or over, sign a waiver of liability and agree to comply with rules as decided on by the Board. Play party fees are set and adjusted, as needed, by the Board.

Special Interest Groups: SIGs are small groups, for members only, formed to provide additional social and support opportunities for those with similar interests. There is no charge for any SIG activity. These groups are facilitated by members, have their own email lists, and may have their own social activities.

Currently Established SIGs: Of the following three groups, Bad Girls members can choose any group that pertains to them but can only be in one group at a time.

- DOM Group (Dominants, Owners and Masters)
- Switch Group
- Submersion

New SIGs can be formed by any full member of Bad Girls with approval from the Board.

Fundraising: Proceeds from dues and events are used to support the activities of the club and also to raise funds for local and national charities that support the defense of sexual freedom, women's issues, and sexual minorities.

Each year, at the General Meeting, the membership is responsible for voting for the charity it wishes to support. The Board will determine a target budget for charitable donations and 100% of the Spring and Fall fundraisers are dedicated to the chosen charity.

The Board may also choose to internally fund needs-based scholarships for Bad Girl activities, assistance during extreme or tragic personal circumstances of a club member or other special projects. Special projects may focus on supporting the collection and maintenance of Women's Leather History, one-time or ongoing expenses related to the improvement of the club, its infrastructure and/or its financial stability. Bad Girls also maintains and funds a prudent reserve fund for emergency, non-normal, expenses.

Organization

The Board: Bad Girls is run by a Board whose purpose is to direct and carry out the activities of the club according to the policies and procedures in this document. The Board collects input and feedback from the membership, at Board discretion, as needed to make decisions that serve and represent the interests of the group.

Works with the Promotion Coordinator to publicize events. Acts as liaison with the venues where events are held. Solicits and organizes volunteer help. Initiates contact with members who become inactive.

The order above indicates the official chain of communication.

In addition, all Board members are responsible for the following:

- Attending Board meetings, or contacting the Chair in the event of absence
- Responding to Board-related e-mail and phone calls in a timely manner
- Assisting with Bad Girls events
- Maintaining positive community relations
- Consulting the Board on all actions representing the Board
- Completing assigned tasks or contacting the Chair if unable to do so.

Volunteer Assistance: The Board may seek the assistance of any member with specialized skills to complete certain duties.

Board Meetings: The Board meets once a month (at least eleven times annually). The Promotions Coordinator is responsible for e-mailing the time and place of the meeting to members beforehand, and the Secretary is responsible for distributing the meeting minutes afterwards. Board meeting quorum (the number of Board members present at a meeting in order to conduct business) will equal one half the current Board membership, plus one ($1/2 + 1$).

All members are invited to attend Board meetings. Participation of members is highly valued by the Board. If a member has an idea or a concern, wants to change policy, or present a special program, she may bring an agenda item to the Board meeting by notifying the Chair prior to the meeting.

Special Meetings: Special meetings of the Board shall be held at a time and place determined by the Board. Notice of such meetings, describing the date, time, place, and purpose of the meeting, shall be delivered to each Board member personally, by telephone or by e-mail. Any Board member may request a special meeting; however, such meetings must be called by the Chair or Co-chair. Special meetings are closed to membership and no minutes will be recorded.

Committees: The Board may establish committees as it deems necessary, confirmed by majority vote. Such committees may exercise functions of the Board of Directors or may be Advisory committees. Any committee that exercises any function of the Board shall be composed of at least one Board member. No committee may authorize payment or make financial commitments on behalf of the Board.

Decision-making process: Where logistics and time pressure permit, the Board makes decisions in person and by majority vote with Chair as tiebreaker.

When the Chair calls for a vote on a proposal, each member has three options:

- Voting in favor of the proposal
- Voting against the proposal
- Abstaining

Terms and elections: To seek election for Board office and to vote in elections, members must have passed the pledge period (3 months), must have successfully completed the probationary period (6 months), and must be full members.

The Chair and Co-Chair positions are two-year terms elected in alternating years. They have term limits - each position may only be held by one person for two consecutive terms. The remaining positions are one-year terms. The Chair or Co-Chair (whichever one is remaining in office during the upcoming year) administers the election, calls for candidates, distributes ballots, and tabulates election results.

A call for candidates goes out to the members in December and elections are held in January. Members can vote by e-mail, by postal mail, or by secret ballot at the General Meeting. Ballots are distributed via e-mail at least a week before the General Meeting. Members who don't have e-mail must be notified of elections and sent a ballot by postal mail.

Ballots include the position descriptions, a statement by each candidate and a "None of the above" option for each position. Candidates must receive a majority of votes cast in order to be elected. "None of the above" votes are counted as votes against the candidate. In case of a tie, the rest of the newly elected Board decides the election.

If one or more positions are unfilled, the newly elected Board members may voluntarily take on different roles so that crucial positions such as Chair, Secretary, and Treasurer are covered. The Board can then decide how to redistribute remaining duties among its members. If necessary, the Board may fill an unfilled position by appointing a qualified member to the open position.

Removing a Board member: Any Board member failing to fulfill her responsibilities as assigned by the Board or whose conduct seriously damages the club/goes against club principles, shall be subject to removal by a majority vote of the remaining Board members.

In the case of death, removal, or resignation of a Board member, a replacement shall be appointed to complete the current term by a majority vote of the Board members.
